INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

March 16-31, 2006

SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS

INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

This Intergovernmental Review Clearinghouse Report summarizes the federal grant applications, environmental documents and other information received by SCAG's Intergovernmental Review (IGR) Section during the period **March 16 through March 31, 2006**. The Clearinghouse Report consists of two sections, Federal Grant Listing and Environmental Documentation Listing.

The Federal Grant Listing is provided to inform your organization of all grant applications for federal assistance from our region in accordance with Executive Order 12372. The listing includes state sponsored plans and project types such as Housing and Community Development, Urban Mass Transit, and Human Services. The Environmental Documentation Listing describes regionally significant and non-regionally significant facilities (e.g., transportation, wastewater treatment), residential, commercial and industrial projects which have been voluntarily submitted for review by local governments. Environmental documents received include Notices of Preparation, Environmental Impact Reports, Environmental Impact Statements, Negative Declarations and Mitigated Negative Declarations.

A SCAG Project Identification Number organizes project descriptions for both the Federal Grant and Environmental Documentation listings.

IGR CONTACT

To include the interest of your jurisdiction or comment on proposed comprehensive planning, areawide coordination or environmental impacts please contact the IGR Section prior to **April 15, 2006**. Please send one (1) copy of all environmental documentation. Also, please provide the name and telephone number of the contact person on your transmittal. We may be reached at:

Project Description: Kern Council of Governments (Kern COG) is the Regional Transportation Planning Agency and Metropolitan Planning Organization for the Kern County region. Kern COG is also statutorily responsible for preparation and approval of the Transportation Expenditure Plan and Retail Transactions and Use Tax in coordination with the Kern Transportation Authority. As such, Kern COG must identify transportation needs in Kern County to prepare the Destination 2030 Regional Transportation Plan and the Expenditure Plan and subsequent updates of both plans.

The Kern Transportation Authority Transportation Expenditure Plan and Retail Transactions and Use Tax Ordinance will be placed on the November 2006 ballot to establish a one-half of one percent local tax dedicated to transportation planning, design, construction, operation and maintenance within Kern County's boundaries.

Kern COG and the Kern Transportation Authority will recommend that the County of Kern place the measure on the November 2006 ballot for consideration. If approved, the measure would authorize the State to collect the 1/2 percent sales tax beginning April 1, 2007 and continuing for a minimum of 20 years.

Comment Due Date: 5/15/2006

Project Description: The proposed project consists of a General Plan amendment, zone change and conditional use permit to allow for the development of 445 multifamily residential units within Planning Area 36. The General Plan amendment would increase the residential unit cap in the IBC by 445 dwelling units, and decrease nonresidential square footage in the IBC by 240,014 square feet. The zone change would change the designation of the project site from 5.1 IBC Multi-Use to 5.3 IBC Residential. The conditional use permit would allow for the entitlement of the residential project, including a transfer of development rights (TDR) to increase the site vehicle trip budget.

The project site is located at 2323 Main Street, within the City of Irvine, in the south/central portion of Orange County, in southern California.
